REPORT ON THE ADMINISTRATION OF THE MYSORE CITY MUNICIPAL COUNCIL FOR THE YEAR 1942-43

***

PART I

2 MUNICIPAL BOUNDARY AND AREA

During the year under report there was no change in the boundaries of the Municipality which remained the same as in the previous year, the total area of the City being 12 75 square miles The question of including Kumbarakoppal, Thonachikoppal and Voddarapalya within the Municipal limits is yet under correspondence

3 CONSTITUTION OF THE MUNICIPAL COUNCIL

The strength of the Municipal Council continued to be 31 of which 24 members were elected by the rate-payers and 7 including the President were nominated by Government

The following were the members of the Municipal Council during the year under report, (vide list attached)

During the year a casual vacancy occurred by the resignation of Mr S A Kareem, a nominated Councillor and in his place Dr (Miss) A Grace Gillespie, M B Ch B was appointed as the Municipal Councillor, as per Government Order No L 10903 dated 11th May 1943

Mr B S Raghavendra Rao M A (Mysore) continued to be in charge of the office of the President throughout the year under report Mr P Sitaramiah, B A ,B L , was the Vice-President till 10th August 1942, when he was detained under the orders of the District Magistrate His term expired on 31st December 1942 and at the meeting held on 22nd December 1942, Mr Mohamed Khalilulla, M A ,LL B was elected as Vice-President of the Municipal Council and he took charge of the office on 18th January 1943 and continued to be in charge.

Messrs B R Manickam, B E , T Chandrasekhariah, B A ,M B B S ,M P H , and H C Jambukesvariah, B A , continued to be the Municipal Engineer, the Health Officer and the Revenue Officer respectively during the year

Consequent on the transfer of Mr H G Narasimha Murthy, B E , Licensing Officer, Mr B Krishna Iyengar was appointed in his place and he continues to be in charge during the year under report

ESTABLISHMENT

The following establishments and allowances were sanctioned during the year

1 Government Order No F1 240-1/G F 12-41-150 dated 10th July 1942 sanctioning the continuance of an additional accounts clerk for a further period of one year from 15th July 1942

2 Grant of an allowance of Rs 5/- to the office Stenotypist as per G O No L 235-6/M1 11-41-73 dated 11th July 1942

3 Government Order No L 1061-4/M1 41-41-78 dated 27th July 1942 sanctioning the appointment of a Typist-Clerk to the Vice-President and abolishing the Library Attender's post

4 Continuance of the marginally*noted temporary establishments during 1942-43 vide G O No L 1489-90/M1 11-41-81 dated 2nd August 1942

i Compost
ii Cattle Shed
iii Anti-malaria
iv Workshop
v Additional Pipe Line
vi Estt for M1 Sewage Farm

5 G O No 1506-9/M1 11-42-11 dated 2nd August 1942, sanctioning the payment of an allowance of Rs 25/- P M to the Veterinary Inspector

6 G O No L 3039-40/M1 11-42-36 dated 12th September 1942 sanctioning the appointment of a temporary watchman on Rs 7/- P M for two years from 1st August 1942 to the cremation ground near Chamundi Hills

7 G O No G 3221-45/PH 3-41-19 dated 4th Sept 1942 sanctioning the continuance of the staff for control of plague

8 G O No L 3799-80/M1 11-42-43 dated 6th Oct 1942 sanctioning the appointment of a Water Revenue Inspector on Rs 40 + 5

9 G O No 1233-36/CB 47-42-1 dated 7/8th Sept 1942 sanctioning a Conveyance Allowance of Rs 50/- to the President from 1st January 1942

10 Government Order No L 8952-5/M1 55-42-56 dated 5th March 1943 directing that the posts of the Bill Collectors and Octroi Manegars be treated as executive and interchangeable

11 G O No 9205/M1 11-42-81 dated 12th March 1943 sanctioning the posting of an Accounts Clerk for the Engi-

9

Engineering Section

12 G O No L 10436-8/M1 11-42-91 dated 24th April 1943 sanctioning the pay of Rs 100 + L A 20 P M to Mr Raghunatha Rao, Manager, Sewage Farm

13 G O No L 6414-6/M1 11-42-61 dated 31st December 1942 granting a personal allowance of Rs 10/- to the Council clerk Mr B R Srinivasa Murthy

As already stated in the previous report, the present establishment of the Head Office, the Engineering Section and the Revenue Section is inadequate Proposals have been submitted for the revision of the present scales of pay of the staff and to provide adequate establishment to the Head Office and orders of Government thereon are awaited It is expected that with the sanction of these proposals there will be a higher standard of efficiency in the Municipal Office.

Mr M Shankaraiah was the Municipal Advocate and as he was detained in August 1942 under the orders of the District Magistrate, at his request Mr S Chinnaswamy Setty, B A ,LL B who was Municipal Advocate previously was appointed Municipal Advocate and this was approved by Government in their Order No L 2890-1/M1 11-42-35 dated 10th September 1942 Mr Chinnaswamy Setty held the office during the remaining part of the year

4 MEETINGS AND ATTENDANCE

The Municipal Council held 12 Ordinary, 6 adjourned and 6 Special Meetings during the year

The enclosed statement appendix No 1, gives details as to the number of meetings held and the average attendance of the members at the meetings

During the year under report 35 Resolutions were tabled at meetings by the several Municipal Councillors of which 9 were withdrawn, 12 fell on account of the absence of the movers and 14 resolutions were passed Resolutions passed by the Municipal Council

are being watched through a special register and action taken thereon duly reviewed

The main items of business for consideration at the Special Meetings were as follows

1 Consideration of certain important subjects regarding the grant of enhanced rate of dearness allowanc to the Municipal employees, in accordance with Government Order No F1 2156-2215/S & A 136-42-1 dated 25th September 1942

2 The Mysore City Municipalities (Amendment) Emergency Act 1942 (Act XXXVIII) re the quorum at meetings etc

3 Election of a Vice-President for the Municipal Council

4 Fixing meters for houses whose rental value is R. 18/-

5 To consider Budget Estimates for 1943-44

6 To select two Councillors to serve as Trustees of the Trust Board

5 ELECTIONS

There was no general election during the year as will be seen from the enclosed statement No II A casual vacancy occurred in the personnel of the Municipal Council consequent on the resignation of Mr S A Kareem a nominated Councillor, which was filled up by the appointment of Doctor (Miss) A Grace Gillespie, M B Ch B

6 HOUSES

The enclosed appendix No III furnishes the number of terraced and other houses in the City during the year under report There was only a small increase in the number of terraced houses as compared with the previous year's figures There has been a considerable increase in the number of tiled houses, the number being 22918 as against 19677 last year There has been a small decrease under thatched houses Action is being taken to get these thatched houses removed and to construct tiled houses instead The total number of houses in the City at the end of the year was 26018 as against 22698 in the previous year. Thereby 3,320 new houses sprung up during the year under report.

7 WORKING COMMITTEES

As prescribed in the bye-laws, Committees in this Municipality are elected twice a year once for the first half of the year, and again for the second half of the year Details as to the number of members that constituted these Committees, the number of meetings held by them and the average attendance thereof are furnished in the enclosed statement No IV

The number of meetings held by these Committees during the year is as follows

1	Managing Committees	13
2	Works Committee	22
3	Town Hall Committee	13
4	Health Committee	13
5	Audit Committee	1
6	Legal Committee	2

In addition to the Sub Committees that existed during the year 1941-42 and continued during 1942-43, the following Sub Committees were created during the year

1 Sub Committee to go into the question of starting rescue houses in the City for the suppression of brothels and immoral traffic

Members

1 Mrs B Kameswaramma, B A ,
2 Mohamed Khalilulla, Esq , M A ,LL B
3 F C Devaraja Urs, Esq
4 G Janardan Naidu, Esq

2 Sub Committee to go into the question of floating a Joint Stock Company for supplying pure milk in the City

Members

1 The President
2 M C Mallappa, Esq
3 G R Rangaswamiah, Esq
4 T Venkataramaniah, Esq
5 P Sitaramiah, Esq , B A ,B L
6 T Mariappa, Esq , B A ,LL B.
7 A Krishna Murthy, Esq

3 Sub Committee for supervising and working the Municipal Reading Room, Libraries in the City

1 The Vice-President
2 T Narasimha Iyengar, Esq , B A ,B L ,
3 A N Suryanarayana Rao
4 Two members of the Literary Council

8 BYELAWS RULES & REGULATIONS

The following bye-laws and amendments to the exist-

existing ones were sanctioned during the year

1 Government Order No L 11843-4/M1 112-42-54 dated 5th June 1943 sanctioning the Bye-laws framed under Section 51 - 1(M) read with Section 142 for conserving the and preventing injury to water-supply in wells in the City of Mysore

2 Government Order No L 513-5/M1 135-41-32 dated 16th July 1942 sanctioning amendments to the Bye-laws for regulating the dangerous and offensive trades in the City of Mysore, so as to bring the "Parching of Bengal Gram"for commercial purposes under offensive trade

3 Government Order No L 9548-9/M1 dated 23rd March 1943 sanctioning the amendment to the Bye-laws relating to the dangerous and ofiensive trade so as to make provision for reasonable space for splitting firewood in every firewood depot

4 The Bye-laws relating to the licensing of farriers in the Mysore City Municipality which were under the consideration of Government have since been sanctioned by Government in their order No L 1108-9/M1 112-42-60 dated the 27th July 1943

The introduction of the Bye-laws for restricting the Bamboo traffic and trade in the new Bamboo Bazaar in the Mysore City is yet pending consideration

9 FRESH IMPOSTS AND TAXES, FEES ETC

No fresh taxes or fees were levied in the Municipality during the year under report Regarding the levy of the education cess of two annas in the rupee on taxes on buildings and lands from 1941-42, as sanctioned in G O No E 1358-71/Edn 195-40-2 dated 16th October 1941 the Municipal Council at their meeting held on 12th May 1942 have resolved as under and orders thereon are awaited

"The Municipal Council is already paying a sum of Rs 25,000/- under the Elementary Education Act of 1930 This act having been repealed under Section 2 of the new Act this payment could no longer be enforced While according to the old order as per the above Act of 1930 this Municipality was paying Rs 25,000/- according to the Cess now levied under the Act of 1941 the payment to Government will be Rs 18,600/- as per calculations enclosed

The Municipal Council therefore respectfully submits to Government that the levy on account of the new Cesss would be much less than what the Council is already paying As the Cess will act as an additional tax and would be a hardship to the rate payers the Government may be pleased to continue to accept the sum of Rs 25,000/- that the Municipality is now paying in lieu of the Cess contemplated and waive the levy of the same in Mysore City area under Section 1(3) of the new Act since the Municipality really agrees to pay much more than the proceeds of the new levy

In these circumstances, the Council also request the Government to issue instructions to the Executive to refrain from collecting this Cess"

13

0 ASSESSMENT & TAXATION

The assessment as levied at the general revision completed during the year 1940-41, is still in force and the same is being revised from time to time in respect of new constructions, alterations to existing buildings etc and on mutations sanctioned from time to time

Cases of mutation are disposed of by the Revenue Officer after local enquiry and inspections in each case, his orders in respect of these cases being subject to appeal to the President

During the year 529 mutations were made by the Revenue Officer as against 189 cases last year and 38 appeals were preferred to the President Assessments were confirmed and appeals rejected in 20 cases and in 18 cases the orders of the Revenue Officer were modified

1 DEMAND, COLLECTION & BALANCE

The enclosed statement No V gives the details of the demand, collection and balance of rates of taxes, for the year 1942-43

The arrears at the beginning of the year was Rs 82,407 and the demand under all heads during the year was Rs 6,58,714 thus making up a total of Rs 7,41,121 for recovery during the year Out of this amount a sum of Rs 6,75,281 was actually collected during the year and remission was allowed in respect of a sum of Rs 5,377, thus leaving a balance of Rs 60,463 at the end of the year as against Rs 82,407 in the year previous The percentage of total collection under all heads to the total demand was 91 1 as against 88 9 in the previous year

The figures of demand, collection and balance for the previous five years are appended below for ready reference

Year	Demand including arrears	Collection	Balance
1938-39	7,48,593	5,89,344	1,54,249
1939-40	12	6,25,367	1,84,145

(contin

1940-41	8,08,385	6,81,880	1,26,505
1941-42	7,50,126	6,67,719	82,407
1942-43	7,41,121	6,80,658	60,463

It will be seen from the figures that the arrears are the lowest on record The collection in every branch of the office has been satisfactory and the balance of arrears represent mostly cases filed or to be filed in Court and demands raised against Government Departments under ~~contest~~ correspondence and arrears to be written off or wrong demand to be reduced

The arrears outstanding under all heads at the beginning of the year amounted to Rs 82,407 including water revenue and the demand during the year was Rs 3,34,135 making up a total of Rs 4,16,542

A sum of Rs 3,50,702 was recovered including remission of Rs 5,377 and written of as irrecoverable, leaving a balance of Rs 60,463 at the close of the year

The balance at the close of the year was Rs 60,463 under all heads As already stated the arrears represent mostly cases filed or to be filed, wrong demand, irrecoverable arrears to be written off and arrears due from Government Departments under correspondence

OTHER ITEMS

The demand under other items of revenue except Octroi, Toll and assessed taxes was Rs 1,07,207 inclusive of arrears out of which a sum of Rs 1,06,605 was collected during the year leaving a balance of Rs 602 as against Rs 1,463 in the previous year The details for the arrears and action taken for recovery are briefly noted against each

12 INCIDENCE OF TAXATION

The incidence of taxation per head based on the population according to the census of 1941 works up to Rs ~~4-8-10~~ 4-9-5 as against Rs 4-5-9 as in the previous year ~~Taking the present population as above, about 1,80,000, the incidence works up to~~

15

PART II - FINANCIAL POSITION

***

The year opened with a cash balance of Rs 96,046 excluding a sum of Rs 50,392 invested in the Government Savings Bank The receipts and expenditure under all heads during the year (including public debts) amounted to Rs 10,55,618 and Rs 10,86,217 respectively leaving a closing balance of Rs 65,447 at the close of the year The entire amount of Rs 50,392, that was in the Savings Bank was withdrawn during the year, ~~These~~ consequent on the formation of a separate Municipal Model Houses building Fund as per Government Order No 1462-5/M1 147-41-8 dated 1st August 1942 This amount formerly used to form part of the cash balance of the Municipality and it is gratifying that even after this was separated the cash balances continued to be satisfactory The figures under these heads exclusive of the debt heads for the previous five years are noted below

Year	Receipts	Expenditure
1937-38	7,46,089	6,61,750
1938-39	7,58,721	7,85,575
1939-40	8,01,567	8,81,671
1940-41	8,34,455	7,44,500
1941-42	8,55,318	7,90,362

The receipts under principal heads of revenue for the last five years are as noted below

Year	Octroi	Mohatarfa	Vehicle	Water-Tax
1938-39	1,67,701	2,02,851	37,006	1,02,743
1939-40	1,72,994	2,06,547	37,663	1,24,169
1940-41	1,85,697	2,20,213	41,579	1,43,821
1941-42	1,90,341	2,24,277	41,053	1,41,401
1942-43	2,26,147	2,18,822	41,682	1,31,880

The receipts under all the heads have been the highest on record

The following figures show the income from Ordinary sources and the ordinary expenditure of the Municipality during the last five years.

16

Years	Income from Ordinary sources	Ordinary Expenditure
1938-39	7,48,678	7,83,932
1939-40	7,89,313	8,82,049
1940-41	8,34,456	7,44,500
1941-42	8,57,221	7,93,396
1942-43	8,87,190	8,78,488

PART III - RECEIPTS

***

14 OCTROI

A 1 Municipal Rates & Taxes

The collections under this head were Rs 2,26,147 as against Rs 1,90,300 in the previous year The details of realisation are given in apperdix VIII There has been an appreciable increase under this item during the year The increases are mainly under the following heads

1 Cloth and Piece Goods
2 Oil Seeds
3 Tobacco
4 Coffee
5 Tea
6 Oil Mill Stores
7 Metal Ware

The collection under this head has been the highest on record this year as compared with the previous five years' figures * These figures are to a large extent due to the

1938-39	1,67,710
1939-40	1,72,991
1940-41	1,85,697
1941-42	1,90,300
1942-43	2,26,147

great control exercised over the Octroi staff and the vigilance of the staff itself The enforcing of the rule regarding opening of bales and checking up with invoices has largely contributed to the increase under Octroi Cases where bales contained more goods were discovered and in ~~those~~ some cases, ~~a sum of Rs.~~ Compounding fee was levied ~~as compounding fee~~ One case was placed before a Magistrate and the party was convicted

5 TAXES ON BUILDINGS AND LANDS

The particulars of demand and collection under this head are given in Appendix V

The demand, collection and balance under this head during the last five years is given below

17

Year	Demand	Collection	Balance
1938-39	2,81,482	1,62,951	1,18,531
1939-40	2,59,723	1,67,407	92,316
1940-41	2,42,596	1,75,580	67,016
1941-42	2,19,983	1,79,137	40,846
1942-43	1,96,122	1,55,276	29,826

The collection under this head has been quite satisfactory Out of the arrears, Rs 10,260/- has been collected up-to-date, leaving a balance of Rs 19,566 Suits have been filed for the recovery of Rs 6,228 and for the recovery of Rs 7,820 suits have yet to be filed A sum of Rs 1,746 represents wrong demand and Rs 228 dues from Government Departments under correspondence

16 POUNDS

The collection under this head during the year was Rs 1,347 as against Rs 1,422 in the previous year and the decrease is attributed to the fact that the system of engaging Cattle Catching Gang has been done away with With the dismissal of the gang, the stray cattle nuisance has increased The question of its revival has therefore to be taken up

17 PUBLIC CONVEYANCE

2,050 Vehicles were licensed during the year as against 1915 in the year 1941-42 Only such of the vehicles as were in good condition were registered and licenses granted A sum of Rs 11,411 was realised by way of licensing fees

The register of vehicle of animals is being regularly scrutinised with a view to prevent leakage of revenue under this head ~~scrutinised to prevent leakage of revenue~~ and all cases where license are not renewed checked up to see that the vehicle or animals concerned are really not in use

(c) Revenue derived from Municipal property and powers apart from taxation

The revenue derived during the year was Rs 1,62,374

as against Rs 1,44,786 in the previous year and composed mostly of revenue derived from Municipal markets, compost, slaughter houses, the Municipal Farm and other miscellaneous items

18 & 19 GRANTS & CONTRIBUTION

A sum of Rs 12,981 was received on this account during the year under report as against Rs 15,250 in the year previous This sum comprises of the following items

1	Plague and Anti-rat campaign charges	Rs 1,581-0-0
2	Amount received from the City Improvement Trust Board on account of tarring Loan instalment	6,400-0-0
3	--Do-- on account of Mandy Drainage Loan	5,000-0-0

20 MISCELLANEOUS

The receipts under this head were Rs 7,486 as against Rs 15,407 during the previous year The considerable fall under this head is mainly due to the receipts under mileage cess, being only Rs 3,020 as against Rs 9,556 during the year 1941-42

PUBLIC DEBT

21 LOANS

The enclosed statement No XX gives the details of the loans advanced to the Municipality, repayments made and the balance outstanding

For repayment of old loans due to Government and for the execution of certain improvement works such as tarring the roads, laying underground drains, slum clearance, etc debenture loan to the extent of Rs 9,20,000 were raised by the Municipality, as sanctioned by Government in their Order No L 3134/M1 109-36-2 dated 22-10-1936 A sum of Rs 30,500/- was paid towards repayment of the loan and Rs 25,063-0-8 towards interest during the year under report. The balance of the loan outstanding at the close of the year was Rs 7,62,500 towards principal and Rs 212-5-4 towards interest During the year ~~under report~~ 1941-42, Government were pleased to sanction a loan of Rs 25,000/- free of interest subject to repayment within a period of not more than 10

years in equal annual instalments with a view to provide drinking water facilities in time of emergency, if any danger should overtake the present drinking water system With this end in view a number of well works were taken up It was felt that each Mohalla should have at least two good sweet water wells so that people might get drinking water from these wells in times of need if the water supply were to fail These wells were so designed and placed as to serve also the fire fighting purpose and to be useful for providing ~~uniform=w~~ unfiltered water to the Bath Room constructed in these mohallas A programme for digging the wells all over the city was accordingly drawn up and as a first measure the following wells were taken up

1 Sinking a well in Block III, Vanivilaspuram
2 -Do- in Krishnamurthypuram Hospital compound
3 -Do- in Kakageri
4 -Do- in the bed of Subbarayanakere
5 -Do- in Chamundi Extension
6 -Do- in front of B T Oil Mills
7 -Do- in Municipal Farm
8 -Do- in Jalapuri
9 -Do- on Convent Road
10 -Do- in Narasimharajapuram Model House Block
11 -Do- a pond in Paduvarahalli
12 Improving the well in Rampart Wall road
13 Improving the well in Ittigegud
14 Sinking a well in Adikarnatakapuram

Some of the wells have been fitted up with Kirlosker Hand Pump and Electric Pumps

Nine out of the above well works were completed and the remaining works are in various stages of completion The ~~expenture~~ expenditure on account of these works was Rs 17,340/-

22 COLLECTION

The Revenue Officer was in charge of the collection of assessed taxes and market revenue The Octroi Department and Tolls also continued to be under his supervision The Vice-President was in charge of the Water Revenue Section, Hackney Carriage Section and the Municipal Sewage Farm

The expenditure incurred during the year under

report towards the charges in collecting assessed taxes amounted to Rs 47,687 as against Rs 43,032 in the previous year The increase is mainly due to the grant of Dearness Allowance

While I wish to take this opportunity it is fitting to place on record the my high appreciation of the work of the Revenue Officer Mr H C Jambukeswariah to whom is due the credit for the percentage of recovery of Municipal dues He has been as tactful as zealous and he has managed the work of his section quite smoothly

PART IV EXPENDITURE

23 B PUBLIC SAFETY

LIGHTING

Applications from some parts of the City for providing additional lights were received But as per Electrical Secretary's letter No Els 860 dated 24th September 1942 it was intimated that Government were unable to sanction the installation of additional lights in the City Hence no new additional lights were given to the required parts However 13 lights were installed on the road newly formed from Ferro-Alloy Furnace to Banni Mantap during this year

There were 1,896 Gooseneck lights (including two suspension lights) 461 Ornamental lights at the end of the year in the Mysore City

The charges paid to the Electrical Department on account of street lighting amounted to Rs 44,044 during the year as against Rs 49,726 in the previous year

FIRE PROTECTION

Three cases of accidental fire were reported during the year and a sum of Rs 75/- was paid towards the cost on this account

24 Rewards for destruction of wild animals, snakes dogs, etc

***

The expenditure under this head during the year

amounted to Rs 317/- as against Rs 98 in the previous year

RABITS AND DOG DESTRUCTION

418 dogs were liecnsed during the year as against 403 in the previous year 1,895 stray dogs were destroyed during the year as against 1,789 last year The destruction is being done by the same method of using strychnine The electric Lethal Chamber constructed for the purpose in the Sewage Farm is not being used

25 CIVIL WORKS CARRIED BY THE P W D

The Municipality has got its own Engineering staff and as such the civil works relating to this Municipality are not done by the Public Works Department As usual, the works relating to Water Supply are however got done through the Vani Vilas Water Works which is under the control of the Department of Public Health

KSR

26 Public Works carried out by Civil Department

The expenditure under this head during the year amounted to Rs 2,15,150/- as against Rs 1,49,841 in the previous year, resulting in an increase of Rs 65,309/-

27 Roads

During the year much progress in original tarring work could not be shown for want of adequate stock of emulsion The quantity available was insufficient even to do patch repairs and to maintain the existing roads The total length of the tarred roads in the City of Mysore is 28 miles and the area of surface covered by it is 641260 sq yds To maintain these tarred roads a sum of Rs 40,000/- is required It has therefore not been possible to increase the length of tarred roads by taking up the original works when the maintenance work itself is found not possible to carry on Most of the roads which had been tarred about six years back were removed as the surface had deteriorated into plenty of pits Such of the roads as were beyond repairs were macadamised and as regards other roads a programme was drawn up and a sum of Rs 30,000/- was spent according to this programme out of the amount recurring grant for renovating them by filling up pits and repainting wherever necessary

A portion of the Sawday road near the Mission Hospital zone was however tarred during the year in order to make it free from dust

The existing tarred roads were greatly improved by patch repair and repainting wherever found necessary The expenditure under this sub head was Rs 1,586/-

Metal Roads

As in the previous year, these roads were classified under two heads viz (1) field metalled roads and (2) granite metalled roads

The granite metalled roads requiring recoating and repairs were all attended to and a few new granite metalled

roads were also opened during the year

In respect of the interior roads and cross-lanes which would get slushy during the rainy season a programme was drawn up for extensive field metalling in the interior parts of all the Mohallas According to this programme, 172 furlongs were newly metalled with field metal available nearby and about 60 furlongs were under operation during the year under report The system of field metalling work was introduced only two years back The total length of metalled roads at present is 75 miles As in the previous year the maintenance work of these metalled roads such as blindage and repairing work was got done by the gang workmen at a cheaper rates For blindage sand was obtained from big storm water drains running in the City near Kukkarahalli tank, Subbarayanakere and Doddakere tanks It served the purpose of not only disilting of the channels and getting good sand, but also resulting in very large savings to the Municipality

Gravel was likewise carted from the potential gravel quarries marked out in and around the city, at a less cost, and gang carts were engaged for the purposes

This system has been working very satisfactorily and has resulted in a considerable savings to the Municipality The expenditure under this head during the year amounted to Rs 39,218/- which represents the highest figure as compared with the past five years figures *

37-38	Rs 19,930
38-39	Rs 13,906
39-40	Rs 18,264
40-41	Rs 17,506
41-42	Rs 24,883

The progress made in this direction has been of immense use to the poor people living in the interior parts

Foot-paths

Many of the foot paths made up of strong gravel in the Mysore City get washed out after heavy rains and the stones projected up into sharp edges, thus making the footpaths im-

passable by the pedastrians, who would therefore prefer to walk in the centre of the roads In order to prevent this, much attention has been paid to this item of work and gangmen have been employed for this purpose, and work done according to a regular programme every footpath being attended to once in three months Though extensive kerbing could not be done, the existing footpaths were considerably improved by doing necessary earth work and levelling During the year, special gangs were employed for removing the Mesopotomia thorns grown on the sides of the roads and lanes in Vani Vilaspuram and Narasimarajapuram thus making the surface fit for the pedestrians to walk about A sum of Rs 1,792 was spent on this account

28 Drains

For want of proper drains and culverts at the junction of roads, the surface used to get very badly cut up During the year 50 culverts were newly constructed and several others were under progress Many drains which were not functioning were reopened and improved by employing gangs and by getting the work done amani The expenditure under this head amounted to Rs 19,305

29 Water Supply and Maintenance

As usual the distribution and supply of water in the City of Mysore were under the control of the Sanitary Engineer The same procedure as explained in the previous report regarding the installation of submains and pipes was continued during the year also Therefore, the present procedure involves delay and unnecessary correspondence in the execution of works, as the Municipality has in the first instance to deposit in advance with the Sanitary Engineer the estimated cost of works and these advances will be pending adjustment for want of execution of the works for which the advances were given Therefore, the question of appointing a separate Sub Engineer to work directly under the Municipal President in respect of works costing below Rs 1000/- is under correspondence

There have been frequent complaints from various areas of the city that adequate supply of water is not received and such complaints are particularly great on festival days The Sanitary Engineer and the Superintendent, Vani Vilas Water Works, who were requested to go into the matter have sent up estimates for Rs 41,000/- As these works are very urgent, necessary provision has been made in the current year's budget for their execution The Sanitary Engineer has intimated that the Pumping capacity at Belagola and the storage capacity in the Jewell Filters are inadequate The redistribution of pipe lines within the city has also to be attended to since the present one which has grown up as the city expanded with adequate regard to the needs of each area, requires remodelling The distribution of pipe lines that are choked up have also to be cleaned and desilted All these items of works requires large funds which the Municipalit is unable to find, unless it could be raised by taking a loan from Government The drinking water problem in the City calls for urgent solution, since the requirements of the present population is very much more than the capacity of the works to supply

Samples of water tested in the Laboratory

700 samples of water from the City public water supply, 60 samples of well water and 4 samples of tank and pond water were tested bacteriologically and 73 samples were received for Cehmical examination during the year 46 samples of tap water in the city gave unsatisfactory results, besides the taps in the P K Sanatorium In 20 of these cases, the samples were retested and the analysis was repeated in respect of 39 samples till satisfactory results were obtained, after the authorities of the Vani Vilas Water Works had taken necessary action to rectify any defects in these taps The results of bacteriological analysis of samples of tap water in the city were generally satisfactory during the year

30 Buildings

A consolidated and comprehensive list of the Municipal buildings has been drawn up and necessary provision made for the annual maintenance of these buildings including repairs to these buildings that were badly in need of repairs The system of getting the works of annual repairs done by our own gangmen was continued during the year, and it is found to have worked well During the year, the Municipal Office building was completely repaired using very high class paints, varnishes, distemper etc , and the building was brought to a preservable and useful condition The expenditure on this account amounted to Rs 7,497/- The total expenditure on account of repairs to buildings, incurred during the year was Rs 1,02,930/- as against Rs 66,944/- during the previous year

The Town Hall building was in a neglected condition for want of funds for the past five years During the year, this building was taken up for repairs and the work was got done by engaging masonry, carpentry and painting gangs who worked under the direct supervision of the section suboverseer and the Town Hall clerk, resulting thereby in not ~~any~~ only considerable savings but also securing the best quality of work possible Several improvements were effected to this building The entire area all round the Town Hall was also greatly improved All facilities to attract dramatic companies, to enact dramas here, have been created

31 Construction of the Model Houses for the poor

The progress of constructing the model houses for the poor out of Narasimharaja Building Funds started in 1926 was very poor, owing to the fact that these houses were granted to the poor officials on instalment payment system by the Trust Board and that in consequence there were not sufficient funds to build more houses

With a view to further the activities of the Trust Board and the Palace and the Narasimharaja Building Funds in the matter of providing poor houses in the City, a Fund called "The Mysore Municipality Model House Fund" was constituted by setting apart some amount as stated in the previous year's report, and the construction of houses was under-taken under this scheme A sum of Rs 29,930/- being the sale proceeds of 27 model houses built for the Bestars was credited to this fund and a sum of Rs 5,000/- was provided for in the Budget for the current year for the construction of these houses Out of this fund, 7 houses with terraced roofing were constructed during the year and sold in public auction

During the year under report, 40 Model Houses were under construction in Krishnarajavanam Much progress could not be achieved in this respect for want of building material

The expenditure under this head during the year was Rs 9,631/-

Construction of Bus Shelters

During the year, two new Bus Shelters were constructed in the Bus Terminus area out of reinforced concrete one Bus shelter in Vanivilasapuram and another in front of Krishnarajendra Hospital were constructed out of the amount donated by Rao Saheb Papiah Chetty Many more Bus shelters are since sanctioned but the works are held up for want of cement and iron

Burial Grounds

The improvements effected to the Cremation and Burial grounds during the year are noted below -

A new set of improved burning platforms was constructed The bath rooms attached to the cremation ground were improved and hot water arrangements were made

The mantaps in the burial ground were repaired and roads inside the cremation and burial ground were metalled and compound wall repaired Good and useful plants were

planted along the compound wall Iron fret work above the compound wall was done so that the persons walking on the roads would not see the bodies burning on the platform The bathroom to Jodithenginamara burial ground was improved and a new road was laid to this burial ground by providing a cause-way across Poorniah's Nala

Public Baths and Urinals

Two public baths one for ladies and another for gents were constructed at Subbarayanakere with independent water-supply from a well fitted up with electric pump Similarly, two bath rooms, in Paduvarahally were constructed along Adi Pampa road with independent water-supply from a pond newly constructed This pond serves both for water supply to the bathrooms and also as a swimming pond The bath room started during the previous year at Adikarnatakapuram was completed and put into service during the year The public bath in Kurimandi was completed It is proposed to make hot water arrangements for these bath rooms by installing instantaneous electric heaters

31 Compensation

Since the acquisition of properties for the improvements of the city is attended to, by the City Improvement Trust Board, the payment of compensation thereto is also dealt with there In order to clear the slum clearance, proposals have been made to the Trust Board for acquiring lands for construction of houses

E 32 Public Health and Convenience

Conservancy

The Health Officer was in direct control of the Health Department of the Municipality during the year as before and conservancy arrangements were satisfactorily attended to under his supervision with the help of the subordinate staff The health of the city was quite good during the year except for a few cholera cases (mostly imported into the city) The comparative freedom from any local epedimic of cholera although there were many imported cases is due to the good work done

by the Health Officer and his staff Their care and vigilence and the preventive measures taken by them, when cases were imported from the Mahadeswara Jatra and from the Mandya District, deserves praise The deaths from other diseases which were also imported cases were negligible Preventive measures were adopted to check the spread of the disease

There were 9028 births and 3840 deaths during the year as against 5522 births and 3386 deaths in the previous year

Hotels and Catering Houses

The following business concerns which conformed to the Municipal Act and Byelaws, were licensed during the year

Hotels and Coffee Clubs	94
Aerated Water Factories	17
Private Meat stalls	18
Private Fish stalls	11
Bakeries Sweetmeat shops and chmkns shops	187
Dangerous and Offensive trades	481
Hair Cutting Saloons	156
Meals Hotels registered	3

The routine inspections of the above trades were carried on as usual by the departmental officers

The licensing of hotels, coffee clubs was strictly done in accordance with the rules prescribed on this behalf and prosecutions were launched wherever found necessary

A comparative statement showing the scope of work done in the Health laboratory, for the last 8 years is appended below:-

Year	Total samples examined	Samples of food	Samples found to be adulterated	Cases prosecuted	Cases convicted	Fines	Fees
1935-36	1113	228	91	84	53	451	--
36-37	1538	233	89	72	61	264	--
37-38	1525	203	76	66	61	198	--
38-39	1973	268	104	85	72	256/8	--
39-40	1757	270	114	100	87	401	--
40-41	1957	293	108	63	59	558	--
41-42	2198	466	114	85	76	928	74-8-0
42-43	2077	524	120	76	75	454/12	280-2-0

The Laboratory section was inspected by me and instructions were given for its improvement An electric Refrigerater at a cost of Rs 950/-, an electric hot air steriliser for Rs 540/- and a butter refracto meter for Rs 940/- were purchased during the year and necessary improvements were also effected to the laboratory The Dewan was pleased to visit the laboratory section on 2-7-1942

The Minister for Public Health also kindly visited the Laboratory and saw its working

Anti-malaria work in the City

The staff consisting of 18 field men and two Assistant Sanitary Inspectors worked under the direct supervision and instructions of the Health Officer

In view of the difficulty in obtaining malarioil or any of the other allied larvicede the staff was utilised for attending to minor Anti-malaria Engineering works like, Filling, Trimming, Daining and putrification

A house to house malaria survey was conducted by the staff and the public was educated about mosquito breeding in their premises

Spraying and killing of the adult mosquittoes by pryethan extract was adopted in special areas

The monthly statement of larvoss and adult collections for identification were maintained, and submitted to the Superintendent, Bureau of Malariology The annual spleen survey of the city was conducted in the month of June, 1943

33 Sanitary Progress and Defects
Town Planning

As usual, the work of Town Planning is attended to by the City Improvement Trust Board and is supplemented by contributions from the Municipality

As already explained in the previous report, objectionable trades, such as, Power Looms (which are always noisy) and Dying Factories (which create a bad smell) and large sized mills (which give rise to dust and noise) still exist in the residential area It has not been possible to remove these trades completely to the Industrial suburbs, owing to the difficulty in obtaining materials due to war conditions The traders have been advised to hurry up shifting their trades

Housing of Sweepers etc

Necessary facilities have been provided for housing the

sweepers and this work is being undertaken year by year out of the provision of Rs 5,000/- made therefor in the Budget

Over crowding and slum clearance

With a view to prevent the over-crowding and promote the clearance of slum areas, the Trust Board has been requested to acquire properties in Adam Khan Masjid street and Bestageri A provision of Rs 15,000/- was also made in the Budget for 42-43 for construction of sanitary houses to the poor

The levelling of mounds and filling up of hallas in various parts of the city were also attended to, and the sanitary condition was greatly improved

Drain works done by contribution from the Municipality

During the year about 50 culverts were newly constructed and several others were under progress The main drains which were not functioning were re-opened and improved by employing gang and by getting the work done Amani The work of constructing road crossings and improving drains, has considerably helped the maintenance of road surfaces, The old damaged culverts built out of brick and mortar, were improved by constructing size stone in mortar and by providing burnt stone slab paving below Whenever the shoulders were not working and got choked up, they were carefully examined and spread in order to allow easy flow of water from the road to the check drain The expenditure under this head of drains-original amounted to Rs 19,305/-, the details of which are embodied in Appendix XXI

Drain repairs to the extent of Rs 9,492/- as detailed in the enclosed statement, were also attended to, during the year

Amenities to Sweepers and Scavengers, etc

The Municipal stores started on 21st December 1941 comprised to stock all provisions of food stuffs and supplied them at cheap rates to the Municipal employees The scavengers, sweepers and labourers were also allowed the benefit of this

The Municipality contributed a sum of Rs 500/- during the year by way of a lumpsum grant to the upkeep of the stores.

The Store Society is working satisfactorily and it has afforded a great relief to Municipal employees in obtaining their foodstuffs without any difficulty

The monthly grant of Rs 25/- to the Harijan Sevaka Sangha for propaganda work and for running a tamil class, was given during the year Necessary facilities have been created for providing suitable houses to this class of people

34 Local Fund Dispensaries

There was no change in the number of the Local Fund Dispensaries which remained the same as in previous year viz 7 The total number of patients treated during the year in these dispensaries was 4,09,633 as against 4,11,424 last year

Itinerant Dispensary

The question of starting this Dispensary has been ordered to be dropped by Government in their Order No L 246/Ml 11-42-102 dated 7-7-43, as it was considered unnecessary to start an Itinerant Dispensary in the city, since sufficient medical facilities already exist

35 Midwives and Maternity

As in the previous year, there were seven midwives paid for from the Municipality The total number of labour cases attended to by them during the year was 517 as against 599 in the previous year

Vital Statistics

The proposal made for getting clerks trained at the Statistical section of the Public Health Department at Bangalore and to post only trained men for collecting these statistics, is yet pending consideration

Registration

The proposals made to post Assistant Sanitary Inspectors, in place of Sub Registrars and Vaccinators, so that the registration work may be attended to more satisfactorily, as reported last year are pending consideration

C r e c h e

As in the previous year the Municipality continued the payment of the contribution of Rs 730/- per month to five Milk Centres in the City including the Creche near the Silk Factory, Mysore

36 Indigenous Hospitals, Vaidyasalas and Davakhanas

The number of grant-in-aid Indigenous and Allopathic medical institutions was 17 during the year, as against 16 in the previous year

Municipal Ayurvedic Dispensary

As in the previous year, the Ayurvedic Dispensary in Krishnaraja Mohalla was maintained by the Municipality during the year The number of patients treated in the dispensary was 84072 as against 95145 last year Government have in their order No L 4258-60/M1 11-42-39 dated 22-10-1942 - sanctioned the revision of the scales of pay of the Pandit and compounder, so as to be equal to the scales obtaining in similar Government Institutions in Mysore, so as to enable their interchange

Grant-in-aid Vaidyashalas and Davakhanas

Grant to 5 Hakims, 11 Vidyas and one Allopathic Hospital practising in the city were paid for out of the Municipal funds As sanctioned in Government No M78-9/Muz 350-40-3 dated 4-11-41 the periodical inspection of these Institutions was done by the Principal of the Ayurvedic and Unani College and the Superintendents of the Unani Hospital At present there are 16 grant-in-aid Institutions in the city 11 of them are Ayurvedic and 5 Unani dispensaries The proposal made by the Municipality regarding the grant of a subvention of Rs 4,000 for giving effect to the revision of scales, sanctioned, is yet pending orders of Government

The amount paid as grants to the several indigenous and allopathic medical institutions during the year was Rs 5110/- as against Rs 5234/- in the previous year

37 Other medical Institutions subsidised from Municipal funds

As in the previous year, Sacred Hearts' Dispensary in Mysore South was the only Institution for which a monthly grant of Rs 40/- was given from the Municipality This Institution is reported to be working satisfactorily

38 Plague, Cholera and other charges

A sum of Rs 7,041 was spent as detailed in the margin during the year under report, as against R 7,483 in the previous year A sum of Rs 1,591/- was sanctioned as grant from Government, on account of these charges

*	Contribution for maintenance	
1	of E D Hospital	Rs 3650/-
2	Cholera charges	Rs 554/-
3	Plague and Anti-rat Campaign charges	Rs 2837/-

39 Vaccinations

Vaccination continued to be compulsory during the year A total of 31874 vaccinations were performed in the city during the year under report, as against 32564 in the previous year Of these 9284 were primary and 22690 were revaccination The number of successful cases among the primary vaccination was 9198 during the year as against 7407 in the previous year

Four vaccinators two of which were women were maintained by the Municipality and in addition Sub Registrars of Births and Deaths who were trained in vaccination also did vaccination work

40 Veterinary charges

As usual a sum of Rs 420/- was paid during the year as contribution from the Municipality for the Veterinary dispensary in the city which is under the control of the Veterinary Department

41 Registration of Births and Deaths also Birth-rate

6121 Births were reported during the year and the birth rate was 4063 per mile as against 36 46 per mile in the previous year

Death-rate

3840 deaths were registered during the year giving a death-rate of 25 36 per mile of population, as against 22 16 per mile in the previous year

Infant Mortality rate

The infant mortality for 1943 was 80 39 per 1000 live births as against 123 14 in the previous year There were 725 deaths among infants during the year

There has been a considerable decrease in the infant mortality during the year as compared with that of the previous year

Plague

There were 5 attacks with 3 deaths from this disease all of which were imported, as against 5 attacks and 5 deaths in the previous year

No particular anti-plague measures were called for as there was no infection But, as a matter of routine, the city was cynogassed Two Assistant Sanitary Inspectors, 10 maistries and 20 coolies were entertained for four months from 15-1-1943

The total number of anti-plague inoculation given during the year was 47 as against 46 in the previous year

Cholera

This was imported into the city in the month of Nov.42 by the pilgrims that returned from Mahadeswaraswami Jatra in Kollegal Taluk Preventive measures were adopted much in advance to check the importation of this disease into the city The roads were guarded and the pilgrims that returned were all inoculated All the same the infection was carried into the city due to the spread of the disease in the neighbouring villages The people at the Railway station and on the roads leading into the city were inoculated There were 136 attacks in all of which 83 were fatal 103 attacks and 64 deaths were from imported cases

Smallpox

There were 65 attacks with 16 deaths from smallpox of which 27 attacks and 8 deaths were from imported cases, as against 77 attacks with 20 deaths during the previous year A total number of 31874 vaccinations were performed in the city during the year as against ~~3264~~ 32564 in the previous year Out of these 9284 were primary and 22590 were revaccinations The number of successful cases among the primary vaccinations was 9198 during the year as against 7407 in the previous year

Consumption or Tuberculosis

333 deaths were registered from this disease as against 312 deaths last year 132 deaths were among the males and 201 among the females 216 were Hindus, 86 Mohammadans, 17 Christians and the remaining 14 belonging to other classes

Malaria

226 deaths were registered from this disease, as against 138 deaths in the previous year The deaths during the year were more than in the previous year

T y p h o i d

There were no cases of this disease during the year under report

Disinfection

Whenever information of the occurrence of the infectous diseases was received, the affected locality was got thoroughly disinfected

1218 houses were disinfected during the year, as against 433 in the previous year

Sanitation

The work$ of the executive staff was satisfactory and the efficiency of the routine work was maintained

42 Public Gardens and Buildings

As in the previous years the Peoples Park and the Cheluvamba Park and the Rangacharlu Memorial Hall continued to be under the control of the Municipality The cost of maintenance of the public gardens during the year was Rs. 5091/- as against Rs 3732 last year

Playing apparatus for children have been provided in all the Mohallas

43 Markets and Slaughter Houses

Markets As in the previous year, there were 6 markets including the two small vegetable markets at Eranagere and Vanivilasapuram A sum of Rs 79,000/- was anticipated from these markets in the budget estimate for 42-43 and against this a sum of Rs 77,113 was realised, the reason for the fall being due to certain shops being ~~vacated~~ Vacant

In Devaraja Market, the platform to the western side of the Daily Fee stalls was improved by providing cement concrete flooring At the northern end a new platform was constructed by removing a portion of the lawn and reforming it A R P baffle walls as per the direction of the A R P experts were constructed All the incomplete works of the previous year were completed this year The annual repairs of the markets were attended to and the market was kept in a good condition from all points of view throughout the year

A major portion of the market demand was realised leaving only a small balance of Rs 280/-

The Eranagere market was shifted to a suitable place, in the interior behind the Rampart wall In Vani Vilas Market, additional accommodation was provided for in the inner varandah by constructing rooms for starting Kerosene depots In Mandi Market, the inner quadrangle was concreted and daily fee stall was constructed Other minor improve-

77618 animals were slaughtered during the year in these houses as against 74451 animals in the previous year

The animals ~~mai~~ slaughtered were -

	42-43	41-42
Sheep	54270	51168
Goats	15781	14948
Bullocks .	3764	2833
Cows .	2569	1935
Buffaloes .	1244	767

77618 animals were slaughtered during the year in these houses as against 74451 animals in the previous year

The animals ~~xxx~~ slaughtered were -

	42-43	41-42
.	54270	54168
...	15781	14948
...	3764	2833
.	2559	1935
	344	767

44 Avenues

The avenues in the Municipality were in charge of the Municipal Engineer The Avenue trees were greatly improved by planting 667 fresh trees on all the important roads The old trees were properly maintained by the avenue gang maintained by the Municipality and with the help of the avenue lorry The expenditure under this head was Rs 521/- in addition to the usual grant of the avenue establishment

45 Fairs and Festivals

The expenditure under this head during the year amounted to Rs 6405/- as against Rs 9407/- last year The amount spent included the additional expenditure incurred during the marriage of Princess Sujayakantammanniyavaru The total expenditure was within the grant on account of the general good condition of roads and footpaths maintained out of ordinary funds under the respective sub heads

46 Municipal Sewage Farm

The extent of the Farm at the beginning of the year was 219¾ acres 15¼ acres were acquired during the year Thus the total area of the Farm, was 235 acres

Improvements to the Farm are being effected according to a programme drawn up

Indian and English vegetables were successfully grown in this Farm during the year

Septic Tanks

As usual the silting up of the septic tanks was got cleaned by the temporary gangmen employed for the purpose The existing Septic tanks which were built several years ago are totally inadequate for dealing with the Sewages that comes into it and an immediate duplication of this is necessary. For want of funds, this could not be attended to and a loan has to be applied for, from Government A provision of Rs 5000 has however been made for this purpose in the current year's Budget

Revenues

The total revenue realised from the Farm during the year amounted to Rs 42,090-9-11 as against ~~as against~~ Rs 27,229 last year The expenditure including all items was Rs 17,199-12-9 as against Rs 16,208 last year

Compost

The manufacture of compost out of street rubbish and night soil was continued during the year A total quantity of 1777½ tons was manufactured and sold during the year The amount realised by the sale was Rs 2,322-12-0 as against Rs 775/- last year

The Agricultural Department is doing the propaganda work and the rates of compost have been reduced so as to give facilities for the poor ryot class to go in for this

Season

The season was quite favourable for the farm operations during the year The total rainfall as gauged at the Farm for the year was 32 18 inches as against 32-33 inches in the previous year

Dry Cattle Shed

More and more cattle are being admitted to this shed as the experiment has proved to be successful

At the beginning of the year, there were 37 cattle and 398 cattle were newly admitted during the year 245 cattle were discharged The amount realised from the dry cattle-shed during the year was Rs 4,166- as against Rs 3225/-

Cattle Pound

531 animals were admitted to the pound during the year The amount realised was Rs 318 as against Rs 374-

Municipal Workshop

As in the previous year, this section did good work during the year in regard to original and repair works relating to nightsoil carts, rubbish carts, motor lorries etc belonging to the Municipality The question of expanding the workshop and providing with a large number of motor and

other vehicles is yet under consideration

Poultry

As already reported in the previous year, the poultry section has been given up

47 E Public Instruction

As already reported in the previous year, the Municipality ceased to be the local Education Authority since the control over these schools was made over to the Education Department from 41-42 as per Government Order No E 4884-98/EDN 55-40-19 dated 24-6-1941

G Contributions and Grants-in-aid

48 Public Libraries and Reading Rooms

The Municipality contributed a sum of Rs 1824 during the year for eleven libraries Reading Rooms and Lady's Institutions doing literary and social work

Five new libraries referred to in the last year's report were opened during the year under the auspices of the Literacy Council

As in the previous year, a sum of Rs 1,000/- was paid as an outright grant to the Deaf and Dumb Institute in the city besides the grant made to the non-official Institutions

Physical Culture Institutions

All the five Institutions in the city continued to receive grant during the year and the total grant made thereto amounted to Rs 1,440/- The following Institutions were also on receipt of grants as noted against each

		Per month
(1)	Civic & Social Progress Association	Rs 25/-
(2)	Harijana Sevaka Sangha	Rs 25/-
(3)	Creche near Silk Factory	60/-
(4)	Nursery school and Kindergarton	50/-
(5)	Sishu Vihar in V V Puram	100 per annum
(6)	Seethabay's Sishu Vihar	60/- "
(7)	Jagadama Sishu Vihar	100 "
(8)		

Lumpsum grants were also made to the following Institutions

(1)	City Scout Council	Rs 200/-
(2)	Baby Show	Rs 300/-
(3)	Red Cross Society	Rs 25/-
(4)	Horticultural Show	Rs 75/-
(5)	Hindi Prachara Sabha	Rs 300/-
(6)	Literacy Campaign	Rs.1,000/-

Reading Rooms

(1)	Vishya Youth League	Rs 100/-
(2)	Ramakrishna Reading Room	Rs 120/-
(3)	Public Library	Rs 200/-
(4)	Anjuman Itthade	Rs 150/-
(5)	Literary Union	Rs 100/-
(6)	Literary Union Committee	Rs 500/-

Samajas

(1)	Bhagini Seva Samaj	Rs 150/-
(2)	Vanitha Sadan	Rs 150/-
(3)	Mahila Sadan	Rs 125/-
(4)	Matru Mandali	Rs 100/-
(5)	Mahila Samaj	Rs 100/-
(6)	Municipal Co-operative Stores	Rs 500/-
	Ayurvedic and Unani College	
	4th Conference	Rs 25/-
	Kannada Typewriter	Rs 75/-
	Pandit Conference	Rs 25Ø-

Miscellaneous

49 Interest on Debts

A sum of Rs 25,063/- was paid towards interest during the year

I Public Debts

50 Repayment of loans

A sum of Rs 30,500/- was paid towards principal as against Rs 28,000/- last year, leaving a balance of Rs 7,62,500/- at the end of the year

51 Audit of accounts and Embezzlement

The system of preaudit by the Comptroller's office staff continued during the year No serious irregularities were noticed No Embezzlement of Government money was reported during the year

52 General

There has been considerable improvement in the collection of Municipal taxes and arrears and the amount collected during the year has been the highest on record as compared with the previous year's figures The arrears left uncollected are comparatively low, for which necessary steps have been taken to realise all collectable arrears The work of the Revenue staff in the collection work deserves appreciation

The Octroi Department has yielded more revenue during the year due to the vigilence and close supervision of the staff, cases of smuggling being detected and the offenders being booked

The public works have been carried out on a more intensive scale and it will be seen that the total expenditure under this head was Rs 2,48,348 as against Rs 1,75,806 in the previous year Tarred roads have been improved and the good sanitary condition of the roads was maintained Drainage works were also attended to on a larger scale Considerable improvement has been shown under all items of works and incomplete works were completed during the year

It is worthy of mention that the Municipal stores has been a source of great help to the Municipal employees, and to the sweepers and the labourers who are also allowed the privilege of getting their provisions from the stores, which is working satisfactorily

The Tottenham system of registration has been introduced into this Municipality from the beginning of July 1942 and it is working well The work connected with registration of papers and the tracing of references, is thereby rendered easy

The needs of the sweepers in providing houses to them have also been attended to The question of having a Provident Fund Scheme to these sweepers is under consideration Children's Play Apparatus have been provided in many of the olichallas

The feeding of the poor out of the Gracious grants made by His Highness the Maharaja of Mysore, has been started and it is working satisfactorily under the management of the Revenue Officer

The work of the Department was on the whole satisfactory

The Revenue Officer, the Health Officer, the Municipal Engineer, and all the subordinate staff, assisted by the Vice-President have heartily co-operated in the successful conduct of the Administration

It is gratifying to note that the relationship between the ~~Municipal Ministerial~~ Municipal, Executive and the Councillors was

was on the whole satisfactory

A brief report on the working of the Mysore City Municipality for the year 1942-43.

***

(i) Ordinary work of the Department during the year main features only, with essential statistics.

***

Particular attention continued to be paid to the work of rehabilitation of the Municipal finances. Strenuous efforts were made during the year for the collection of the arrears amounting to Rs 65,142/- and out of this Rs 44,388/- was collected, leaving Rs. 20,754 as arrears for the period prior to 30th June 1942 Out of the demand for 42-43 a sum of Rs. 1,78,467 was collected leaving an arrear of Rs.23,363, thus bringing the total arrears on 30th June 1943 to - Rs 44,117 Out of this, a sum of Rs 14,371 has been recovered up-to-date since then Every endeavour is being made for the collection of the outstanding balance. But a large part of it is either in Court or represents wrong demand. Over Rs 26,000 is over three years old and has to be recovered through court and the Municipal Advocate is being pressed to file suits in these cases and expedite also recovery through execution in pending cases where decrees have been obtained The following table shows the collections under all heads during the previous four years and as seen therefrom, the improvement in collection is being maintained, the Revenue under Octroi being particularly satisfactory

ears	Octroi	Mohatarfa	Toll	Vehicle Tax	Water Rev	Total
8-39	1,67,701	2,02,851	69,342	37,006	1,02,747	5,79,647
9-40	1,72,994	2,06,547	71,181	37,633	1,24,169	6,12,524
0-41	1,85,697	2,20,213	71,360	41,579	1,43,821	6,62,670
1-42	1,90,341	2,24,277	73,711	41,053	1,41,401	6,70,783
2-43	2,27,109	2,22,855(a)	70,025	41,695	1,31,695(b)	

(a) due to the reduction of arrears
(b) due to reduction in demand

The year opened with a cash balance of Rs. 96,046 (including future debt) The receipt and expenditure under all heads during the year amounted to Rs 10,55,618 and Rs 10,86,217 respectively, leav

53

leaving a closing balance of Rs. 65,448/-. Figures under the these heads for the previous five years are noted below:
(the figures exclude debt heads)

	Receipts	Expenditure
1937-38	7,46,089	3,61,750
1938-39	7,58,721	7,85,575
1939-40	8,01,567	8,81,671
1940-41	8,34,455	7,44,500
1941-42	8,55,318	7,90,562

PUBLIC WORKS

An expenditure of Rs 2,31,554 (including a sum of Rs 15,250 advanced for wells out of the loan amount of Rs 25,000 was incurred on public works during the year under report as against Rs 1,41,414/- spent during the year 1941-42.

MARKET IMPROVEMENTS

In Devaraja Market the platform to the western side of the Daily fee stall was improved by providing cement concrete flooring. At the northern end, a new platform was constructed by removing a portion of the lawn and reforming it. A P had walls as per the directions of the A R P Expert were constructed All the incomplete works of the previous year were completed this year. The annual Repairs of the Market was attended to and the market was kept in a good condition from all points of view throughout the year. It is gratifying to note that there are no arrears at all under Market demand and even the old arrears (Rs 702/-) has been reduced to Rs. 280/-.

The Eranagere Market was shifted to a suitable plot in the interior behind the Rampart Wall. In Vani Vilas Market, additional accommodation was provided for the inner veranah by constructing rooms for starting kerosene depots. In Manji Park the inner quadrangle was concreted and daily fee stall was constructed. Other minor improvements to the buildings were also got done. The construction of the Mutton Market at Nerokate was completed. An additional block also is under construction

These markets also were kept clean and the entire demand was collected in all these cases.

BUILDINGS.

In the Municipal Offices, several improvements to provide proper accommodation to all the sections were completed Minor improvements such as providing racks in the Record Room, constructing enclosures to the rear Verandah by providing fret work, ventilators etc , were done. A R.P. baffle walls were constructed in the required places and water cisterns for fire-fighting were provided in the lawn in front of the building. The annual repairs of the Municipal Office buildings were properly attended to The construction of Octroi Ookad near Vodarapalya was completed

PUBLIC BATHS AND URINALS

The public bath at Adikarnatakapura with well and pump was completed and opened for use, and that at Kurimardi was completed and also thrown open for use. Additional public bath room was constructed for the use of ladies at Paduvarahalli Two bath rooms are being constructed in Subbarayanakere, one for Gentlemen and the other for Ladies. These are complete and will be put into use shortly.

POOR HOUSES

With the sanction of Government in their Order No: L 1462-5/M1.147-41-8 dated 1st August 1942, a new Fund called "The Mysore Municipal Model Houses Fund" was created in order to provide additional facility to the poor and middle class people by building small and neat modern houses with all conveniences and arranging for the sale of the same. In pursuance of the above order, to this Fund was credited a sum of Rs.29930/- being the sale proceeds of the 27 Model houses built for the Bestars and also Rs. 5000/- provided for in the Budget for the current year for the construction of these houses. Out of this fund a set of 7 houses with terraced roofing were constructed

during the year and sold in public auction This type of houses being very popular and as it provided very comfortable accommodation to a small Middle Class family, there was very keen demand for these houses The realisations from the sale was Rs. 15475/- This has also been credited to the Model Houses building fund A further set of 32 houses of the same type has since been sanctioned and are under construction

The Municipal Council proposes also to make an annual grant of not less than Rs 5,000/- for credit to this Fund and to build out of this Fund, houses suitable to the small middle poor class people as rapidly as possible and dispose off the same, thus providing good and suitable accommodation in healthy localities to these.

Owing however to the peculiar conditions created by the great war, the time is not opportune for the construction of a large number of these Model houses, on account of the high value of building materials. The programme of Model houses has therefore necessarily to be slowed down.

The balance at the credit of the fund on 30th June 1943 was Rs 45,813/-.

PARKS:

Although for want of grants, major improvements to many of the parks in the City could not be undertaken, yet all our parks were considerably improved during the year and several improvements done in these parks. In Amble Anniah Pandit's park, the area was levelled and the drain straightened in order to allow good lawns to come up on either side. Two good public baths one for ladies and one for gentlemen have been constructed in this park for the use of the public. The baths provide space for bathing and washing and a good wide platform all round hasbeen provided. The nursery which was in the Peoples' park was shifted to the Sewage Farm and has been greatly improved and the number of plants multiplied. These are also now made available for sale to the public.

The maidans opposite the Sarada Vilas High School and New Santhepet received special attention and in the latter place terraces and lawns are being formed. A new park opposite the Chamundi Vihar has been formed and is coming up. A park is also being formed opposite the Sweepers' quarters near the Silk Factory and round the newly constructed Papaiah Chetty's Bus Shelter.

PLANTING OF AVENUES

Special attention is as usual being paid for the maintenance and planting of Avenue. The enumeration of Avenue trees is in progress ( ) 662 new avenue plants were put up during the year and we have on the whole 8759 plants.

MUNICIPAL FARM

Several improvements were effected in the Farm during the year. The storm water drain running in the centre of the Farm was overflowing every year and damaging the crops on the sides. This was widened, deepened and graded properly in order to prevent the flooding of the area. The main road in

the Farm was metalled and improved. Additional cattle sheds were constructed. The old well was deepened and the Electric Pump repaired so as to irrigate the vegetable gardens with fresh water. A new well is under progress for bringing under cultivation an additional area of about 10 acres for vegetables A sump well was constructed during the year by the side of the Storm Water channel in order to make use of the clear water flowing in the halla Clear sewage water from the septic tank is also proposed to be let into it from the channel above, when required and the water pumped into a cistern commanding the area newly acquired This area also is proposed to be utilised for growing vegetables. Now that for various reasons vegetable scarcity was being felt the putting in of this new area under vegetable cultivation has been a blessing and when the full area is brought under vegetable cultivation the Municipality would be really doing its bit of service in the "Grow More Food Campaign"

PUBLIC HEALTH

The health of the City was quite good during the year, except for a few cholera cases (mostly imported into the City) The comparative freedom from any local epidemic of cholera although there were many imported cases, is due to the excellent work done by the Health Officer and his staff. Their care and vigilance and the preventive measures taken by them when cases were imported from the Mahadeswara Jatra and from the Mandya District deserves praise. The deaths from other epidemic diseases were negligible, they also being mostly imported. Necessary precautionary measures were taken by the Health staff in these cases also for the prevention of the spread of these diseases.

There were 9,028 births and 3,840 deaths during the year, as against 5,522 births and 3,386 deaths in the previous year.

PLAGUE:

There were attacks with 3 deaths from this

disease, all of which were imported, as against 5 attacks and 5 deaths in the year 1941-42.

Anti-rat Cyanogassing was carried out in the year. The total number of inoculations done during the year was 47 as against 46 in the previous year.

CHOLERA

There were 136 attacks and 83 deaths, of which 103 attacks and 64 deaths were imported ones.

INFLUENZA.

There were 19 cases from this disease during the year.

RELAPSING FEVER:

No case was reported during the year.

SMALL POX.

There were 65 attacks with 16 deaths from Small Pox as against 77 attacks and 20 deaths in the previous year A good number of these were imported.

CLEANING OF THE CITY - GANG PROGRAMME

The programme of weekly gang on which the majority of our sweepers and kalibhath gangs are made to do intensive clearing work in a specified area is going on This is proving very satisfactory and considerable improvement in the areas so treated is noticeable.

To avoid dust nuisance to passengers arriving by Railway and to pedestrians using our main roads in the early mornings, the "System of night sweeping" of the main roads has been introduced. This has been greatly appreciated by the Road users.

(ii) Progress of Special schemes sanctioned in recent years.

1. The [illegible] rative Society and Stores for the

benefit of the Municipal employees sanctioned in Government Order No. L 6382-84/Ml.104-41-87 dated 27th January 1942, started its business in October 1942. The experience of these ten months go to show that this Institution is working satisfactorily. With the help of the Deputy Commissioner and his Food staff, necessary articles of food were made available to the employees at reasonable rates. Our thanks are also due to the Director of Agriculture, Director of Industries and Commerce and to the paper mills for making departmental articles available to the Society for the use of the Municipal staff. The Municipal Council were pleased to donate out of its finances a sum of Rs 1,000/- for meeting the initial and incidental expenses.

In order to enable the Society to purchase and stock provision, the Government were graciously pleased to sanction, in their Order No L.7434-8/Ml.111-42-8 dated 29/30th January 1943, a loan of Rs. 25,000 to the Municipal Co-operative Stores, free of interest for one year.

2. A loan of Rs 25,000, free of interest, was sanctioned by Government to this Municipality for the execution of well works in the City - Vide Government Order No 9727-30/Ml.159-41-6 dated 14th April 1942 So far, 9 fresh wells are dug and 5 existing wells repaired, besides putting up pumps to two wells. A sum of Rs.17,580 has been spent on this account out of theloan grant

3. The starting of a Fuel Depot under the control of the Forest Department was sanctioned by Government, in their Order No AF 7071/Ft.220-41-3 dated 22nd June 1942, for supply of fuel to the Civil population in the City. As there is still much scarcity for fuel, there is a proposal to start Depots in the several Mohallas for giving relief to the people and the matter is under correspondence with the Controller of Civil Supplies and the Government.

(iii) Principal measures, if any sanctioned during the year.

(a) The levy of drainage cess at the prescribed

rates on all the residential buildings belonging to Government was sanctioned by Government in their Order No L 12089-92/Ml.56-40-99 dated 29th June 1942

(b) The Improved System of Office procedure was introduced into this Municipality with effect from 1st July 1942, as sanctioned by Government in Order No L 461-5/Ml 11-41-7 dated 15th July 1942.

(c) A Special Committee for formulating proposals for prevention of Beggary in the State was constituted during the year in Government Order No I 1839-50/Ml 152-42-1 dated 10th August 1942, the President of the Mysore City Municipal Council being one of its members. The Committee held several meetings at Bangalore and their proposals in the matter were submitted to Government in May last

(d) The scales of pay of the Pandits and the Compounders of the Municipal Indigenous Hospital were revised in Government Order No L.4258-60/Ml 42-39 dated 22nd Oct. 1942, so as to be at par with those prevailing in the Government Ayurvedic and Unani College in the City for facilitating interchange of Pandits and Compounders between these institutions.

(e) The starting of some Reading Rooms and Libraries in the City was a long-felt want Six such Reading Rooms and Libraries subsidised by the Municipal Funds are as resolved by the Council, were sanctioned by Government in their Order No L 6390-1/Ml.153-42-3 dated 30th December 1942. These were started in the several Mohallas during the year and they are reported to be serving the public well It is under consideration to open some more Reading Rooms and Libraries in the City

(i) With a view to enable the newly started Municipal Co-operative Stores to stock provisions required for the staff, the Government were pleased to sanction a

loan of Rs. 25,000/- free of interest for one year.

(iv) Schemes submitted to Government and under consideration including those in the current year also.

***

(1) Starting of a Mobile Medical Unit for affording medical aid and ambulance to the residents of the City was contemplated and proposals in this behalf had been submitted to Government, for sanction But the Government were pleased to observe that there was no need for such Mobile Unit for the City, vide Law Secretary's Letter No I 246/ Ml 11-42-42 dated 7th July 1943

(2) Standardising the scales of pay of Ayurvedic Pandits and Unani Hakims in the State

The Government, have in their Order No L.2845-66/LB. 74-40-6 dated 9th September 1942, accorded sanction to the revision of the scales of pay of the Pandits and Hakims at Rs 30-1-40 per mensem so as to attract the right type of men with proper qualifications and in order to improve the efficiency and usefulness of these Institutions The Government observe that it would be desirable to have the scales of the pay of Hakims and Pandits employed in this Municipality also on a par with that fixed in the above Government Order, and they have accordingly called for the opinion of the Municipal Council. If the scale of pay etc as sanctioned by Government is to be given effect to in this Municipality, there will be an extra cost to the extent of Rs. 4,590/- The subject was placed before the Municipal Council on 5th November 1942 and it was resolved that the Council is agreeable to adopt the above scale of pay etc if a subvention of Rs. 4,000/- is given to the Council as is proposed to be given to each District Board. The Government have accordingly been addressed for making a subvention of Rs. 4,000 to this Municipality to give effect to the scheme and their orders are awaited.

(3) Conduct of a Tuberculosis Survey in the Mysore City.

The Municipal Council have agreed to meet half the expenditure on this account, out of Municipal Funds. The Senior Surgeon has been requested to send definite proposals in the matter for obtaining sanction of Government.

(4) Opening of a Khadi Weaving and Spinning Centre in the City.

Detailed notes have been prepared in this connection by the Manager of the Badaraval Centre. The subject was placed before the Municipal Council and definite proposal for starting the Centre have been submitted to Government with letter No. Ms 63 42/43 dated 8 7 1943

(5) To obviate the difficulty in the equitable distribution of water to the several Mohallas in the City and with a view to avoid loss to the Municipality, by delay in the existing procedure for execution of water supply, it is proposed that all works connected with the Distribution System of Water-supply in the City be entrusted to the Municipal Agency Detailed proposals in this behalf have been submitted to Government.

(6) Floating of a Joint Stock Company for improving pure Milk Supply in the City.

The question of improving the Milk Supply and also clearing the slums in the areas occupied by milkmen was engaging the attention of the Council for a long time past. A special Committee was formed with a view to formulate definite proposals in this behalf, the Assistant Director of Agriculture and the District Veterinary and Live Stock Officer being co-opted The Committee held four meetings and were of the opinion that the floating of a Joint Stock Company for improving the supply of milk with the aid of the Municipal Fund is an extremely useful and practicable proposition and that such a Company could thrive well and turn out splendid work. They also consider that the Government and the Municipality should take a prescribed number of shares preferably 50% each in the Company, the rest,

viz: 40% being thrown open for subscription by the publ The Committee also recommended certain facilities to the Company. Detailed proposals in this behalf have been submitted to Government with my letter No M5-163-801/43 dated 24th June 1943 and their orders are awaited.

(7) Construction of Women's Hospital in the City.

A women's Hospital in the City is an urgent necessity. One Mr Seth Mohandas Tulsi Das having kindly offered to pay a donation of Rs 20,000 towards the construction of such a hospital, the question of starting a Women's Hospital was taken up and detailed estimates were got prepared. The total cost of the building including the residential quarters for the staff works out to Rs 40,000/- to be met out of the amount donated by Mr. Seth Mohandas Tulsidas (Rs 20,000) the Municipality (Rs 15,000) and the Public Works Department, (Rs 5,000) Proposals have been submitted to Government. The Municipal Council have agreed to bear the recurring charges to the extent of Rs. 4,220/- only the cost of pay of the Lady Assistant Surgeon and of Europe medicines being met by Government. The orders of Government are awaited

(8) Mr. P N.Sangapra, a leading Merchant of the City has offered to pay half the cost of building quarters for the compounder and the midwife in Jontikoppal extension, the estimated cost of which as about Rs 2,500. Similarly, Rao Saheb Papiah Chetty of Madras has offered to donate Rs.8,000/- towards half the cost of constructing dispensary buildings with quarters for the Sub Assistant Surgeon, Midwife and Compounder in Narasimharaja Mohalla and in Chamundipuram Both these donations graciously offered by the above gentlemen have been accepted by the Council, the other half of the cost being met in both these cases - by the Municipalit Proposals have been submitted to Government in letter No M5-13-84/43 dated 19th August 1943. Necessary estimates and plans are being prepared and the same will be sent to Government,

viz 40% being thrown open for subscription by the public. The Committee also recommended certain facilities to the Company Detailed proposals in this behalf have been submitted to Government with my letter No M5-163-801/43 dated 24th June 1943 and their orders are awaited

(7) Construction of Women's Hospital in the City

A Women's Hospital in the City is an urgent necessity One Mr Seth Chanias Tulsi Das having kindly offered to pay a donation of Rs 20,000 towards the construction of such an Hospital, the question of starting a Women's Hospital was taken up and detailed estimates were got prepared. The total cost of the building including the residential quarters for the staff works out to Rs 40,000. Proposals have been submitted to Government in the matter. The Municipal Council have agreed to bear the recurring charges to the extent of Rs 420/-, only the cost of pay of the Lady Assistant Surgeon and of Europe medicines being met by Government. The orders of Government are awaited

(8) Mr N Sangappa, a leading Merchant of the City has offered to pay half the cost of building quarters for the compounder and the midwife in Ventizoppal extension, the estimated cost of which was about Rs. 2,500. Similarly, Rao Saheb Mr Pilah Chetty of Madras has offered to donate Rs. 8,000 towards half the cost of constructing dispensary building with quarters for the Sub Assistant Surgeon, Midwife and Compounder in Narasimharaja Mohalla and in Chamundipuram Both these donations graciously offered by the above gentlemen have been accepted by the Council, the other half of the cost in both these cases being met by the Municipality Proposals have been submitted to Government in letter No M5-13-84/43 dated 19th August 1943. Necessary estimates and plans are being prepared and the same will be sent Government

after obtaining the approval of the Senior Surgeon

The working of the Municipality during the year was on the whole satisfactory. The relations between the Municipal Executive and the Councillors continued on the whole to be satisfactory.

PRESIDENT 1.9

PROCEEDINGS OF THE GOVT OF HIS HIGHNESS
THE MAHARAJA OF MYSORE

Read-

Correspondence ending with letter No.C. Per 10/43 dated 2nd February 1944 from the President, City Municipal Council, Mysore, forwarding the report on the administration of the municipality for the year 1942-43

ORDER No L 2738-44/PU 118-44-2

Dated, Bangalore, 25th Sep 1944.

Recorded

2 Bourdaries The boundaries of the municipality remained unchanged The total area of the city was 12.75 Sq miles as in the previous year.

3. Constitution. The strength of the Municipal Council continued to remain the same as in the previous year viz , 31 members. Of this number, 24 were elected by the rate-payers and 7 including the President were nominated by the Government Mr.B S Raghavendra Rao, M A. (Hons), continued to be the President throughout the year. Messrs P Sitharamaiya and M Mahomed Khalilulla were the elected Vice-Presidents of the Municipal Council during the year

4. Meetings.- The Municipal Council held 12 ordinary, 6 adjourned and 6 special meetings The average attendance at each meeting was 15.4 (1 official and 14.4 non-officials).

5. Committees of the Council.- There were six working committees during the year

and they met as usual and transacted the business referred to them by the council. Several Sub-Committees were also constituted to assist the six working committees.

6. Rules and Bye-laws- The following bye-laws and amendments to bye-laws were sanctioned during the year -

1) Byelaws for conserving and preventing injury to water supply in wells in the city.

2) Byelaws relating to the ~~xxxx~~ licensing of farriers in the city.

3 & 4) Amendments to the byelaws relating to offensive and dangerous trades in the city so as to (a) bring thereunder the "Parching of Bengal gram for commercial purposes" and (b) provide reasonable space for splitting firewood in every fire-wood depot

7). Demand, Collection and Balance- The arrears at the beginning of the year stood at ~~Rx~~ Rs 82,407 (Rs 1,28,127) The total demand under all the heads during the year was Rs 6,58,714 (7,50,126) Out of the total demand, a sum of Rs.6,80,658, inclusive of remissions of Rs 5,377 was collected, leaving a balance of Rs.60,463 (Rs 82,407) The percentage of collections to the total demand was 91.1 as against 88 9 in the previous year There is appreciable improvement in the collection work

8) Incidence of taxation - The incidence of taxation per head based on the population according to the Census of 1941 works up to Rs.4-9-5 as against Rs.4-5-9 in the previous year.

9) Finance - The year began with a cash balance of Rs 96,046. The receipts and expendi-

expenditure during the year amounted to Rs.10,55,618 and Rs.10,86,217 respectively, leaving a closing balance of Rs 65,447 The sum of Rs.50,392 invested in the Govt Savings Bank was withdrawn consequent on the formation of a separate Municipal Model Houses Building Fund.

10) Public Works.- The expenditure under Public Works was Rs 2,15,150 (1,49,841) The upkeep and maintenance of roads and buildings continued to receive due attention.

11) Water Supply - The control of Water Supply vested as usual in the Bureau of Sanitary Engineering. The drinking water problem in the city however calls for urgent solution since the requirements of the present population are stated to be very much more than the present capacity of the machines to supply Out of the loan of Rs.25,000 sanctioned free of interest to the Municipal Council for the execution of well works in the different parts of the city to make water available in times of emergency 9 fresh wells were dug and 5 existing ones were repaired.

12) Public Health.- The health of the City was quite good during the year except for a few cases of cholera mostly imported into the city on account of the pilgrims returning from the Mahadeswara Jatra and from the Mandya District Effective steps were adopted and the disease was stamped out Sanitary rules were enforced in respect of hotels and bakeries etc , 76 prosecu-

prosecutions were launched under the Food Adulteration Act and of these, 75 ended in conviction Anti-malaria measures were continued

13 Child Welfare work.- Five milk centres including the Crèche near the Silk Factory continued to work during the year.

14 The Municipal Sewage Farm - The extent of the Farm at the beginning of the year was 219¾ acres. 15¼ acres were acquired during the year bringing the total area of the Farm to 235 acres The Revenue and the expenditure on the Farm were Rs 42,091 (Rs 27,279) and Rs 17,200 (16,208) respectively, resulting in a net profit of Rs 24,891 (11,071) With the increase in the area of the Farm and efficient management, the Farm is expected to yield more profit in the coming years

15 Compost - The manufacture of compost out of street rubbish and night soil was continued during the year. A total quantity of 1777½ tons of compost was manufactured and sold during the year as against 1800 tons during the previous year. A sum of Rs 2323 was realised by the sale of the compost during the year as against Rs.775 in the previous year

16. General - A new fund called the "Mysore Municipal Model Houses Fund" was created in order to provide additional facilities to the poor and middle class people by building small and neat modern houses. Seven model houses with terraced roofing were constructed and sold in public auction during the year. A loan of Rs.25,000 was granted to the Municipal Co-operative Stores and Society in order to enable to stock food stuffs and sell it for

for the benefit of the Municipal employees. Wells were laid out in certain parts of the City. Public baths were constructed at Kurubarahalli and at Kuriyandi. Additional public bath room was constructed at Yadaveramalli. The Municipal administration of the city during the year was on the whole satisfactory.
